

What is a School-Parent Compact?

It is a written agreement describing how all members of a school community (parents, teachers, principals, and students) agree to share responsibility for student learning. This compact helps build a bridge between the school and home by encouraging all students' education, communication, and achievement.

Jointly Developed

Parents, students, and staff partnered to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings each spring to review the compact and make suggestions based on student and school improvement needs. Parents are also encouraged to participate in the annual Title 1 parent survey used as a tool to collect parent feedback regarding current Title 1 programs and policies.
