

ARC Week at Glance

Topic: Acids and Bases Course: AP Chemistry Grade(s): 10-12 Dates: 04/14/25-04/18/25

	Learning Target (I am learning about...)	Criteria for Success (I can...)	Activation/ Instruction	Collaboration/ Guided Practice	Independent Learning/ Assessment	
					<i>(Include at least one/two formatives*in any part of the lesson as needed)</i>	
Monday	Spring Break					
Tuesday	I am learning about Thermodynamics, and reviewing for the AP Exam	I can apply my knowledge about Thermodynamics using reading comprehension and solve previous units practice problems.	Do Now: Unit 1 Sample Problem. The teacher will conduct a short review on Unit 1.	Students will complete Cornell Notes on Unit 6 in Thermodynamics with a summary at the end.	Cornell Notes on Unit 6 in Thermodynamics with a summary at the end. Also, a Literacy Task	Students may also utilize AP Chemistry workbook to review Units 1,2,3,4, 5, 6, or 8.

Wednesday	I am learning about Equilibrium and reviewing for the AP Exam.	I can apply my knowledge about Equilibrium using reading comprehension and solve previous units practice problems.	Do Now: Unit 2 Sample Problem. The teacher will conduct a short review on Unit 2.	Students will complete Cornell Notes on Unit 7 in Equilibrium with a summary at the end.	Students will complete Cornell Notes on Unit 7 in Equilibrium with a summary at the end. Also, a Literacy Task Students may also utilize AP Chemistry workbook to review Units 1,2,3,4, 5,6,7, or 8.
-----------	--	--	---	--	--

Thursday	I am learning about Applications of Thermodynamics and reviewing for the AP Exam.	I can apply my knowledge about Applications of Thermodynamics using reading comprehension and solving previous units practice problems.	Do Now: Unit 3 Sample Problem. The teacher will conduct a short review on Unit 3.	Students will complete Cornell Notes on Unit 9 in Applications of Thermodynamics with a summary at the end.	Cornell Notes on Unit 9 in Applications of Thermodynamics with a summary at the end. Also, a Literacy Task Students may also utilize AP Chemistry workbook to review Units 1,2,3,4, 5,6,7, 8,or 9.
Friday	School Holiday				

****Please highlight your literacy tasks, your major grades and your minor grades. I suggest color coding.**

Students will complete a 3-2-1 Exit Ticket each day to communicate level of understanding
