**Technical College
Scholarship Information**

Amounts Available:

\$2,500 (one year; non-renewable)

\$2,500 (one year; non-renewable) James M. Andrew Lineman Scholarship
if enrolling in an Electric Lineman Certification course.

Eligibility:

- a. Must be a graduating high school senior or an individual currently enrolled or planning to enroll in an accredited technical college;
- b. Must have a GPA of at least 2.5;
- c. Must reside in a home served electrically by Jefferson Energy Cooperative;
- d. Must be a citizen or legal resident of the United States;
- e. Must plan to attend an accredited technical college in the United States;
- f. Must be planning to attend college as a full-time student, taking at least 12 credit hours.
- g. Unsuccessful applicants can re-apply during the next application process. Those who transfer to a four year program can receive a lifetime maximum award of \$4,000 unless applying for the Kenneth Cook Engineering Scholarship.

NOTE: Individuals associated with Jefferson Energy Cooperative and Jefferson Energy Cooperative Foundation are **NOT** eligible to receive funds from Operation Round Up, including scholarships. This includes employees, directors and their close relatives.

Criteria: Scholarships will be awarded on the basis of merit including:

- a. Educational accomplishments;
- b. Community Involvement;
- c. Involvement in school activities.

All scholarships will be awarded without regard to race, gender, national origin, or disability.

Requirements:

Applicants must fully complete the written application and submit all required documents by the deadline of **March 27, 2020**.

Required Documents:

- a. Two letters of recommendation;
- b. Transcripts with official signature;
- c. A comprehensive list of school and community activities;
- d. A 500 word essay describing personal goals in life, plans for the future and plans for reaching personal goals. Applicant should also state how this scholarship award will help meet those goals.

Other Requirements:

Personal interviews with Jefferson Energy Cooperative Foundation's Scholarship Committee may be requested.

Applications submitted that are incomplete and do not have all required documents will not be considered.

Submission: A fully completed application and all required documents should be forwarded or delivered to:

Jefferson Energy Cooperative Foundation Scholarship
