Instructions

Topic

“Georgia currently leads the nation for new HIV infections, with majority of the diagnosed between the ages of 16 and 24. As a student living in Georgia, what do you think should be done to reduce the rate of transmission in the youth/young adult community?”

In APA format, double spaced, write a 500-word explanation on the topic above. Font must be Times New Roman and sized at 12.

Purpose

The purpose of this essay is to bring awareness to the importance of open discussions in Richmond County High Schools (Grades 9-12) surrounding HIV/AIDS amongst the youth (Ages 16-24). Statistically, it is our youth being diagnosed daily with HIV/AIDS. Our goal is to ensure and increase knowledge on prevention throughout our community.
