What is a School-Parent Compact?

It is a written agreement describing how all members of a school community (parents, teachers, principals, and students) agree to share responsibility for student learning. This compact helps build a bridge between the school and home to encourage learning, communication, and achievement for all students.

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers discussed with their grade team and designed practical strategies for parents to use at home. Parents provided valuable feedback on their needs to help their students. Meetings are held each year to review and revise the compact based on the school’s academic achievement goals and students’ needs. Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents. Please call 706-592-4561 or visit our website, https://www.rcboe.org/Domain/22 for more information on the school-parent compact.
