Benefits

1

High school students take college-level classes and earn college credit.

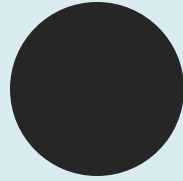

2

Students receive 30 semester (or 45 quarter) hours of credit. That's approximately 8-10 courses.

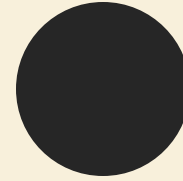

3

Dual Enrollment courses are paid for with GA lottery funds.

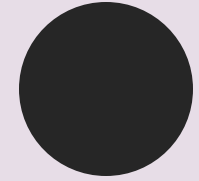

Eligibility Requirements

Will you be done with 10th grade by Summer, 2023?

Have you maintained a GPA of 2.5 or higher?

Can you provide your own transportation?

- 30-hour Dual Enrollment Funding Cap
 - Students enrolled in an eligible certificate or diploma program may qualify for HOPE and Career Grant Bridge funding.
 - The HOPE Grant provides tuition assistance. Students may have some tuition, fees, and textbook expenses.

Joint Enrollment

Any high school student who wishes to take courses not approved for Dual Enrollment funding may enroll in postsecondary courses while continuing to pursue a high school diploma.

- The credit does not count towards the student's high school graduation requirements.
- The students may qualify for the HOPE Grant Program or may choose to self-pay for tuition, fees, and books.

Words of Caution

for students & parents...

High School GPA will be affected either positively or negatively.

Final grades are added to the high school transcript.

If a student fails a course, DE will not pay for them to re-take it.

Colleges can place students on academic probation.

College professors have no affiliation with HHS.

HHS doesn't receive progress grades or courtesy calls from professors about students' progress.

Final Takeaways

If you have any questions, please feel free to contact your school counselor.

- Dual Enrollment allows GA students to enroll in college courses to earn both high school graduation credits and college credits. The program pays the cost of tuition and books.
- Students have a total of 30 semester (or 45 quarter) hours to use toward classes.
- There are eligibility requirements set by Georgia.
- Final Dual Enrollment grades can affect a student's GPA and possibly his/her chance for the HOPE Scholarship.
- **Students need to apply for dual enrollment NOW.**
 - at the selected college or university
 - on www.gafutures.org (funding application)
- **Students and parents should join the class REMIND group on the HHS Counseling Department webpage to receive important messages and deadlines for dual enrollment sign up periods.**
