What is Title I?

Jamestown Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This plan describes how Jamestown Elementary will provide opportunities to improve parent engagement and support student learning. Jamestown Elementary believes that parent involvement means the participation of parents in regular two-way and meaningful communication involving student academic learning and other school activities. We value the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Jamestown Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and home.

How is it revised?

Jamestown Elementary invites parents to the Annual EOY Title I meeting. At which time, parents are asked to share input and revise the current policy. Additionally, parent input and comments regarding this policy and plan is welcomed throughout the school year. This plan, along with the compact, survey, and police are on the school's website. Input/Feedback sheets are available on the parent table located in the entrance of the school. The school will submit any parent comments to the district if they do not find the plan satisfactory.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Jamestown Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

In the Fall of the year, the revised plan is sent home with each student, given at Open House, Title 1 Annual Meeting and parent conferences. The plan is available on the school's website, in the office. Parents can also obtain a copy from the Parent Resource Center.
