My Message to You

Welcome to the FUNtastic world of first grade!!! As your child's teacher, I am dedicated to the task of providing educational experiences that are engaging, empowering, and exciting! My philosophy has remained the same and has been proven to be true throughout my years of teaching: All students do not learn the same way or at the same pace, but **ALL** students **CAN** learn when provided with the proper tools, time, and dedication. Together we will ensure your child achieves academic success and has a great year!
