ARE YOU READY?

This year, Lake Forest Hills Elementary will be offering Boys & Girls Clubs of the CSRA's Great Futures Academy as its after school program. This is an innovative approach to after school care with a lineup of tested and proven nationally recognized programs that address today's most pressing youth needs and teach kids the skills they need to succeed in life. The place where **GREAT FUTURES** are started each and every day, Great Futures Academy promotes and enhances youth development by instilling a sense of usefulness, competence, and belonging. It is the mission of Boys & Girls Clubs to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. To do this, Boys & Girls Club's Great Futures Academy programs focus on the areas of:

- **ACADEMIC SUCCESS: Homework Help, Reading, and STEM**
- **GOOD CHARACTER & CITIZENSHIP: Leadership & Service Opportunities**
- **HEALTHY LIFESTYLES: Sports, Fitness, and Risk Avoidance**
