This year, Lake Forest Hills Elementary will be offering Boys & Girls Clubs of the CSRA’s Great Futures Academy as its after school program. This is an innovative approach to after school care with a lineup of tested and proven nationally recognized programs that address today’s most pressing youth needs and teach kids the skills they need to succeed in life. The place where GREAT FUTURES are started each and every day, Great Futures Academy promotes and enhances youth development by instilling a sense of usefulness, competence, and belonging. It is the mission of Boys & Girls Clubs to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. To do this, Boys & Girls Club’s Great Futures Academy programs focus on the areas of:

- **ACADEMIC SUCCESS**: Homework Help, Reading, and STEM
- **GOOD CHARACTER & CITIZENSHIP**: Leadership & Service Opportunities
- **HEALTHY LIFESTYLES**: Sports, Fitness, and Risk Avoidance
