*This draft should have a properly structured title page and Works Cited page

**For the second reflection, consider - *"Describe the process you worked through in building your TOK essay. What did you learn about knowing and knowledge based on your choice of prescribed title in the process of writing the first full draft of your essay?"* Date this one late Jan/early Feb.

***For the third and final reflection, consider feedback you received and how you used that feedback to make modifications to your final TOK essay draft. Also consider - *"What decisions did you make (and why) as you completed and finalized your TOK essay? Did you learn anything further about knowing and knowledge in the process of finalizing your TOK essay?"*. Date this one late Feb-early Mar.

NOTE – Any of this is subject to change.
