You're right.

Some people put it in the fridge, cabinet, or freezer!

next

You're right.

Some people put it in the fridge, cabinet, or freezer!

next

You're right.

If you're not going to use it right away,
you can skip the fridge and
freeze some for later!

next

You're right.

You can store some in the cabinet

But if you're going to want it cold soon, you better move it to the fridge!

next

You're right.

If it isn't open,
you can put it in the cabinet!

But after it's open,
it goes in the fridge!
