1:1 Distribution Plan Letter

November 16, 2021

Dear Meadowbrook Parents and Students,

I am pleased to announce that we will begin distributing computer devices to all of our 3rd through 5th grade students on Monday, November 29th. These devices will act as an instructional tool that a student would use at school and at home. During our distribution, students will be given their device, charger and protective bag for the school year.

*Note – All K-2nd grade students will also have access to a computer device and will be day users throughout the school year.

The following items must be completed by each student prior to checking out their device:

- Student should complete their digital citizenship course modules within Canvas.
- Each child's parent/guardian should complete the parent orientation by viewing the presentation on the Meadowbrook Website.
- Each child's parent/guardian should complete the parent acknowledgement form which will accompany the orientation presentation.
- Each student should return a signed copy of their personalized loan agreement form to their teacher.

The information above can be found by navigating to the Meadowbrook Webpage and then selecting the 1:1 Computer Device Parent Orientation. We are very excited about this opportunity for our students. Please reach out to us if you have any questions.

Sincerely,
Dr. B. Kyler
Principal
