## Monte Sano Elementary Newsletter 2019-2020

Dear Parents,

It is hard to believe that we have been in school for over 100 days. We have less than 80 school days left. It is important that we make the most of the remaining days.

Please encourage your student to attend school everyday, unless they have an illness that requires them to stay home.

Also, please ensure that your child is dressed in layers to adequately prepare for the constant change in weather.
