Our Principal:

Dr. Titania Singh

Our Mission:

The Mission of Freedom Park School is to provide all students with a high quality education that enables them to be contributing members of a global society. We seek to create an environment that achieves equity for all students and ensures that each student is a successful learner.

Our Story:

In August 2002, Freedom Park Elementary School opened its doors to over 500 PreK-5th grade students. Beginning in 2007, sixth through eighth grades were added to the school (over the course of a three year period.) With the addition of middle grades, the school's name was changed to Freedom Park School. The school is located on the Fort Eisenhower military installation and serves the post's families.

Freedom Park K8 School (Elementary) 2022-2023 CCRPI Scores

Freedom Park K8 School (Middle) 2022-2023 CCRPI Scores

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers, and ensures that schools are focused on improving achievement among all students. The index measures student achievement on indicators such as content mastery, student growth on progress, subgroup performance on closing gaps, and various areas including Lexile performance, attendance, and other academic based measurements. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Each individual component score is on a scale of 0-100. Additional data for CCRPI can be found at this address: <https://ccrpi.gadoe.org/>
