

PLAY EXPLORE DISCOVER

When the school day ends, you can count on the Y to provide enriching and fun after school care for your child. Our Prime Time program is a place where caring adults keep children safe, introduce them to new friends, play group games and help with their homework. We operate within 14 Richmond County schools and are licensed through Bright From The Start. **Beginning this year, ALL students in these schools now receive a Free YMCA Youth Membership, which gets you discounts for Prime Time, School Days Out, youth sports and more. Call us or visit our website at thefamilyy.org to register today!**
