The City Hall, Fire Department, and Police Department are located next door to the school and many of our families use our playground as a meeting place after hours. Many of our families have been in the Blythe area for several generations and are always willing to share their stories of days past at Blythe School. The city of Blythe is 2.5 square miles and has a population of 708. Our school serves approximately 276 students in grades Pre-K through Fifth. Our CCRPI stats:

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and preparation for the next school level. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in five main categories, for a total of 100 possible points. In 2019-2020, statewide accountability was suspended due to COVID-19 closures.
