The GMAS is Coming!

The yearly Georgia Milestones assessment is quickly approaching. All third through fifth grade students will be taking this important test in April! Even though Kindergarten through second grade students are not testing, we are all in this together, and preparation begins in Kindergarten!

On March 28, there will be a **Title I Input/Revision Meeting** from 6-7 pm, followed by a **GMAS Parent Information Session for all parents** from 7-8 pm. We will be discussing what the GMAS test is, and what you can do at home to help prepare your child for the assessment.
