Principal's Report: Mrs. Fry

Goshen was represented at the Augusta Mall on November 10, 2018, to inform parents and community members about the mission of our STEAM school. Magnet School applications are open for the 2019-20 school year. Families are encouraged to apply for enrollment at Goshen.

STEAM Update: October 19, 2018, AG Day was a huge success. Students participated in a number of activities. (Students performances, kale tasting from our own garden, bunny petting, speakers and presenters, bee keepers, and a visit from the Chick-fil-A cow). Students and staff are excited to begin preparing for next year's AG Day Celebration. A big thank you to all of our staff, students, community helpers, and STEAM teacher, Ms. Jeanne Taylor, for a fabulous day.

Title I: Goshen Elementary will be ordering the new computers between Thanksgiving and Christmas holidays. The new technology needs to be in place for spring testing.

CCRPI: Our overall score for this year was 69.2. The score went down due to the following factors.

- DATA (Our data was incorrectly entered into the system.)
- SCHOOL CLIMATE
- TEACHER ATTENDANCE (maternity leave, illness, young staff with children, family deaths, etc.)
- GA MILESTONES (The scores went down. Our fourth grade struggled in both reading and math)

Current measures are taking place to help support overall growth for this school year.

Winter Wonderland: December 13, 5:00-6:30 pm. The school will show case our students and their many talents.

Other events happening that night include:

- Christmas Santa Shop
- Goshen Thrift Shop
