- Ms. Coleman addressed IB updates. After some time of conducting a self-study with LFH staff, an action plan has been created and the plan was briefly discussed by the School Council. One goal currently set for our school is that we will have all units be transdisciplinary on every grade level. The dates of our first IB evaluation was announced. Evaluators will be in the building on September 29th and 30th to interview students, staff, and parents regarding IB.
- Mrs. Walden spoke about Title I revisions. Mrs. Walden is asking for feedback from parents and the community on ideas of how we can all partner together to help students' academic achievement. Mrs. Walden also reviewed the Parent/Staff/Student compact agreement on academic achievement.
- The School Council nominated Mrs. Whiteside to be the Vice Chairperson along with Mr. Niday, Chairperson and Ms. Murrah, Secretary.
- Dr. Driggers gave a Principal's report on the current status of our school in regards to CCRPI where LFH currently has an 84.2 CCRPI score. Dr. Driggers brought up a pride point when looking at LFH and magnet school attendees. 43 out of 88 students in the 2015-2016 fifth grade class now attend magnet schools. 27 of the 43 fifth grade students attended LFH since Kindergarten.
