### New Business

- 1) Mrs. Bailey welcome new council members and council members introduced themselves.
- 2) Mrs. Bailey gave an overview of the State of the School and 2015-2016 School Improvement plan. Members will be e-mailed a dropbox link to access them for further study. The SIP is in draft form presently without the Ga. Milestones data.
- 3) Ms. Coleman provided an update on the IB PYP. She explained the requirements for the upcoming site visit for ongoing authorization.
- 4) The council was given the opportunity to update the current Title 1 Compact. There were two changes made. 1) Instead of a student signature line it will be changed to student name. 2) Under the parent area a bullet will be added to say...I accept responsibility for my child's wellbeing and learning.
- 5) The council discussed goals for the year such as ways to increase math repetition using the morning show or having math celebrations for mastering facts. There was also a request for more communication with parents about CCGPS. The team discussed having a parent night to model lessons for parents. This could take place in the gym during the Fall Festival. The council also wanted to support more mentoring of our students and this could possibly be partnered with the ongoing meeting of the All Pro Dad's group sponsored by council member Mr. Niday.
- 6) The meeting adjourned at 6:00 p.m.

The next meeting will be held on Nov. 5<sup>th</sup>, 2015
