On March 22, 2022, the School Council was called to order by, Dr. Stephen Fox and the minutes from January 25, 2022 were read by Ms. Murrah. The meeting addressed the following information:

- Mrs. Hughey mentioned that a Puppet Show from the Arts department is being held tonight, March 22 featuring our first through fifth grade students beginning at 4 pm. This program aligns with the start of our STEAM auction which begins online at 5 pm.
- The return of Popcorn Fridays is here. We will now have parent volunteers to run that for three more Fridays this school year.
- Ms. Coleman brought up Magnet testing. We have 23 students with early acceptance in the first round of school choice. LFH will be a late testing site for Kindergarten on May 14th. We are in need of some more teachers to volunteer as testing proctors. Ms. Murrah and Ms. Coleman volunteered to help.
- Ms. Murrah brought up ActivPanel installation. All the operating systems for the panels have been updated and LFH is now on the waiting list for install. We received 35 boards so every room in the building that does not have a panel will receive a panel. We have three extra panels that will be located in the Dolphin Diner, Large conference room, and a portable panel. The install should take only two days.
- Rise Augusta will be hosting a May book fair event on the 18th and 19th. RISE is still looking for book donations for the fair. The fair will be located in the Dolphin Diner.
- It was mentioned that Coach Boiling would like a walking track on the field/playground. It is something we will bring to leadership team and look into.
- The meeting was closed out by Mrs. Shankle.

Meeting was adjourned at 3:15 p.m.
