PARENT PERMISSION FOR STUDENT ATHLETIC PARTICIPATION

Dear Parent(s) or Guardian(s):

The school's athletic program is an integral part of the curriculum, and school personnel have devoted great effort to assure that participating students are protected in every way possible. However, participation in athletics includes a risk of injury which may range in severity from minor to long-term catastrophic, including paralysis and death.

Participants have the responsibility to help reduce the chance of injury. Participants must obey all safety rules and regulations, participate in all required physicals, report all physical problems to the coach or athletic trainer, follow a proper conditioning program and inspect personal protective equipment daily. Proper execution of skill techniques must be followed for every sport.

It is the policy of the Richmond County Board of Education that all athletic participants, other than football, provide either proof of insurance, purchase the student accident insurance policy that is sanctioned by the board, or sign a military waiver, provided by the school for military dependents. Participants in football must either provide proof of insurance, sign a military waiver, or purchase the football policy carried by the student accident insurance company. The school's athletic program is not authorized to extend public funds for injuries; thus, it will be the responsibility of the parent or guardian to pay any costs for any injury, which is not covered by insurance.
