Each school is only allowed to bring 10 students to the competition. The competition team will be decided after our December 11th meeting. I may try to add a few more times as we get closer to competition. The competition date has not been announced yet, but the district level competition is usually the third Saturday in January. If we are successful there, we will move on to the regional level, which is usually two weeks later.

Students will need to be picked up out front at the car line area. If a student is late being picked up once, they will receive a warning. A second late pick up will result in being removed from the team.

Please keep the top portion. Please return the bottom portion by the 9/11 meeting.

I understand all club guidelines.
