

## **MATH TUTORING**

If your child is struggling in math and needs extra help I am available for tutoring. Tutoring is available by appointment. I will set aside one day per week, in which students are allowed to come after school until 3:30, and will notify students of what day is allotted for tutoring. I do ask to please make sure that you pick up your child at the agreed upon time.

\* Students must come to tutoring with *specific* questions and problems.

## **CLASS PROCEDURES**

1. DO NOT TALK when I am, LISTEN for information or directions
2. If you see me raise my hand, I need your attention. Raise your hand quickly and stop talking.
3. Bring **all** supplies to class each day.
4. Take your seat as soon as you enter the classroom and begin warm up.
5. No food, gum, or candy (unless given to you by me – it must be eaten only in my room)

## **CONSEQUENCES FOR MINOR MISBEHAVIOR**

- 1st offense- Warning/ Reteach Behavior
- 2nd offense- Parent Contact/ Behavior Tracking Sheet
- 3rd offense- Parent Contact/ Students Self- Assessment Form
- 4th offense- After School Detention/ Parent Conference
- 5th offense- Office Referral

**\*Please sign below and have your student keep this in the front of their notebook\***

As the student, I have read the “Class Introduction and Expectations” and understand what is expected of me.

As the parent or guardian of the child, I have read over the introduction and have discussed its contents with my child.
