

### Frequently Asked Questions:

Where will pictures be taken? At ARC – check the school website closer to appointment dates to know exactly where on campus to report. Portraits are tentatively planned to be in the Media Center, but due to construction that could change.

What time should I arrive? Check in 10 minutes prior to your appointment time. You need to be dressed & ready when you check in to make your wait time as minimal as possible. If your appointment number is called and you are NOT ready, you will be skipped and worked back in when able to be.

What if I am late? If you are more than 15 minutes late, you will have to reschedule for another day/time. Appointments are stacked all day and if you are late, you will be affecting someone else's appointment time.

What do I bring? Your session fee (payable by cash, check, or card), Your two outfits of choice and any props you want to include, Boys should bring a white t-shirt to wear under tux/cap and gown and Girls should bring a tank, camisole, or off the shoulder shirt to wear under the drape. Note: the photographer provides formal wear, (tux/drape), cap and gown.

How long will pictures take? Appointments run 60 – 90 minutes depending on outfit changes and wait times. You will go through four different sets of portraits. You will take pictures in both of the outfits you bring, plus the formal and cap and gown sessions.

What if I do not get any appointment information in the mail? Information will be mailed home mid-June. If you do not receive an appointment card in the mail, call Rick Milton Photography at 706-860-3612 to schedule a date/time. Also, check with the front office to verify your mailing address. The photographer mails to the address on file with the school.
