

## 2024 Summer Work Davidson Fine Arts Mathematics Department

The DFA Mathematics Department assigns summer work to keep your skills sharp. We want you to succeed!

### **RISING 7th GRADE:**

Rising 7<sup>th</sup> graders have a required Summer Work Assignment that will count toward the minor assignments category in the first semester. Choosing not to complete the summer work on time or at all will negatively affect your performance in the class. Read the instructions carefully to know exactly what you need to do.

Mathematics Summer Work Assignment—to be completed no later than Monday, August 5, 2024.

### **STEP 1:**

**Register for summer work course via hyperlink**  
<https://www.deltamath.com/students?code=8Q5P-D77A> **OR**

- Go to <https://www.deltamath.com/students>
- Click the yellow “Register” button & enter this code: 8Q5P-D77A to join the 2024-2025 7<sup>TH</sup> Grade Summer Work then register with your email.
- You **MUST** use a non-school based email, such as gmail or iCloud.

### **STEP 2:**

Complete the 2024-2025 7<sup>TH</sup> Grade Summer Work Assignment.

- You may use your calculator and/or scratch paper, but not notes or computer websites.
- Students are expected to adhere to the Honor Code:

***On my honor, I pledge that I have not given nor received any unauthorized aid on this assignment.***

**STEP 3:** View your results by clicking the white “Show Solutions” button, in the top right corner of the first box labeled.

**STEP 4:** If you are happy with the grade you earned, you are done with your summer work. The score earned will count towards your minor assignments category in the first semester.

- If you would like to improve the grade you earned, you may do the 2024-2025 7<sup>TH</sup> Grade Summer Work **Test Corrections** in DeltaMath by clicking the green “Initialize Test Correction” button and the score you earn on the corrections will replace your original score.
- The due date is **Monday, August 5, 2024**, no later than 8:30am. When school starts for 2024-25, the expectation is that you have completed and mastered the concepts in the Summer Work for your math class. These skills and concepts are essential for success.
