Dear Parents,

Your child has been selected to receive tutoring services in the Extended Learning program here at Pine Hill. This program is our Afterschool PAW Academy. Your child was selected by reviewing reading, math, and writing scores, first-nine week's grades, student's performance as well as teacher recommendation. This is an important opportunity to help your child improve in his/her educational journey. By sending your child to our afterschool program you are showing support and helping your child to be a success this year and in the years to come.

The emphasis of the program will be on math and literacy skills across the content, grade repair through Edgenuity, and our online resource, I-Ready, for building skills and tutoring with enrichment opportunities. Students will report to After-school Paw Academy at 4:15pm at which time, they will have a snack and bathroom break then prepare to report to their academic class. During this class time, students work on either content area lessons or required skills to help them improve in that area.

Richmond County School System will provide transportation for all students attending After-School PAW Academy ***who live in Pine Hill Middle School zone***. Bus transportation will be available from After-School PAW Academy the same day.

If your child has been referred it is very important that they attend the program. Your child's teacher may offer extra credit in the area of their skill deficit. It is very important that if you sign your child up they do not miss any days. After five (5) days excused or unexcused absents, your child will be released from the program. In this Extended Learning Program, inappropriate behavior will not be tolerated under any circumstances. Such displayed behavior will result in your child being release from the program.

Classes are held weekly, Tuesday-Thursday, from 4:30 – 5:30 except for holidays

Please fill out the attached permission slip and send it back to each homeroom teacher.

If you have any questions or concerns, please do not hesitate to call (706) 592-3730

Thank You,

Pine Hill Middle After-School PAW Academy
