Where Excellence is a Tradition

Dear Spirit Creek Middle School Students, Parents and Community:

As principal of Spirit Creek Middle School (SCMS), it is my pleasure to welcome all students and their families to Spirit Creek Middle for another great year. For our new families, I welcome you to be a member of the *Dolphin Dynasty*. The faculty and staff of SCMS are all excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. This year's journey will undoubtedly be filled with opportunities for all students to explore ways to better themselves.

Our mission at Spirit Creek Middle School is to educate students to become self-sufficient adults who contribute to their local and global community. Our staff of highly qualified professional educators and support personnel is committed to providing our students many opportunities both inside and outside of the classroom.

The SCMS community invites and encourages students and parents to work in partnership with us to seize opportunities. As a school, we pledge to provide our students with meaningful and rigorous instructional activities in classrooms and enriching extracurricular activities outside the classroom. If any parent or community member has a passion or expertise that may be of assistance to students or teachers, we invite you to contact the school at your earliest convenience.

I hope that you will find our website helpful and informative. The website will be updated with upcoming events and opportunities for parents and community members to stay informed and engaged with the school. Additionally, SCMS will mail out monthly calendars to parents.

As a former dolphin, I am honored to serve as the principal of Spirit Creek Middle School. It is truly a privilege to return home to be a part of the Spirit Creek and South Augusta communities.

Again, welcome to Spirit Creek Middle School and the *Dolphin Dynasty*.

Respectfully,
