

2024 Georgia School Boards Association Youth Advisory Council Information

The Youth Advisory Council (YAC) was formed by the Georgia School Boards Association (GSBA) to give high school students the opportunity to provide meaningful input to school board members. The goal of the feedback is to help aid school board members in their decision-making and implementation processes.

The YAC Committee is comprised of GSBA staff and will serve as a resource to students enrolled in the program. Through this program, we hope that students and school board members can achieve greater awareness regarding academic programs and school climate.

Applications are now open for the 2024 GSBA YAC. Applying is a two-round process. The first round is submitting an electronic application to the YAC Coordinators. Chosen applicants will move forward to the next and final round, which requires a video submission based on a topic of the applicant's choice. To apply, read over the details on the following page and email your completed application by **11:59 PM on Monday, March 25, 2024**.

Our Mission

The Mission of the GSBA Youth Advisory Council is to serve and enhance communication among students, teachers, and board members within the state of Georgia. The council advises the board members on student interests and provides recommendations on topics ranging from academic programs to school climate.

Program Curriculum

YAC members will have the opportunity to enhance their leadership skills and contribute to their community by affecting positive change for students across Georgia. Not only will these discussions impact the lives of other students, but they will also provide valuable knowledge for public education leaders throughout the state. Discussion topics will be chosen by the council.
