

REVISED

Paid HSAP/URAP Apprenticeships for Summer Research at AU

- Two positions (one for an undergraduate student and one for a high school student) are available on a nationwide competitive basis in the laboratory of Dr. Jay Hegdé at Augusta University (AU) in Augusta, GA.
- The positions are sponsored by the HSAP and URAP programs of the U.S. Army Educational Outreach Program (AEOP).
- The apprentices will have an opportunity to carry out hands-on brain research and to learn cutting-edge research methods, including functional magnetic resonance imaging (fMRI) in the laboratory of Dr. Jay Hegdé at AU. For additional information about our research, please visit www.hegde.us.
- Each apprentice will be paid by the Army at a rate of \$15/hour (for undergraduate apprentices) or \$10/hour (for high school apprentices) for a total 300 hours of research work. The apprenticeships must be carried out during the summer of 2019.
- Highly motivated students interested in STEM research are encouraged to apply, *regardless of their GPA*. (The minimum GPA requirement in the previous announcement has been removed!!!) 
- To apply, please visit <https://www.usaeop.com/program/urap/> or <https://www.usaeop.com/program/hsap/> (look for the yellow “**APPLY NOW**” tab at bottom left).
- *The application deadline is February 28, 2019.* 
- For additional information, please visit <https://www.usaeop.com/type/apprenticeships/> or contact Dr. Hegdé at jhegde@augusta.edu or (706)7321-5129.

STEM APPRENTICESHIP OPPORTUNITIES

High School & Undergraduate Students

Are you a high school or college student looking for a life changing STEM experience? The US Army Educational Outreach Program (AEOP) has summer and year-long apprenticeship opportunities for you in universities and Army labs across the country.

FOR HIGH SCHOOL STUDENTS

RESEARCH & ENGINEERING APPRENTICESHIP PROGRAM (REAP)

A summer STEM program that places talented high school students, from groups historically underserved in STEM, in research apprenticeships at area universities.

✉ reap@aas-world.org ☎ 603.228.4530

HIGH SCHOOL APPRENTICESHIP PROGRAM (HSAP)

A summer STEM program, which places current, rising high school juniors and seniors in university research laboratories alongside world-class Army funded researchers.

✉ jennifer.r.ardouin.civ@mail.mil ☎ 919.549.4209

SCIENCE & ENGINEERING APPRENTICESHIP PROGRAM (SEAP)

A STEM program that matches practicing DoD scientists with talented high school students creating a direct mentor-student relationship. Summer term or year-round opportunities are available.

✉ seap@aas-world.org ☎ 603.228.4530

Visit www.usaeop.com to find out specific requirements for each program.

FOR UNDERGRAD STUDENTS

COLLEGE QUALIFIED LEADERS (CQL)

A STEM program that provides undergraduate students with an authentic science and engineering research experience in a Department of Defense Laboratory. Summer term or year-round opportunities are available.

✉ cql@aas-world.org ☎ 603.228.4530

UNDERGRADUATE RESEARCH APPRENTICESHIP PROGRAM (URAP)

A summer, science and engineering apprenticeship specifically designed for undergraduate students offering an authentic science and engineering research experience, alongside world-class Army funded university researchers.
