Dear IB Families,

What a year this has been! We have learned so much about what we are capable of when faced with great challenges. Our kids have done a fantastic job rising to the occasion when things change on the fly! We had a good number of successful submissions for the AP exams. Some kids had technical issues but persevered and are now preparing for late exams. Good news-the only summer work this summer is for those students that are rising seniors. Finally, we are working on having a Pinning Ceremony and Extended Essay/Reflective Project Celebration in the fall for the class of 2021.

Have a fantastic summer! We are looking celebrating our seniors this July and seeing everyone else in the fall! Please reach out if you need anything over the summer!

From the desk of Mr. Guinn...

**Teachers will release required and optional summer work by June 5th.
The only students REQUIRED to complete summer work are students
beginning IB Year 2 classes (Includes IB Spanish Year 2).**

Any IB student who fails a non-IB semester or year-long class MUST make it up during summer school. Actual IB classes are not available to be made up in summer school. Failing an IB class or not making up a failed non-IB class in summer school will result in dismissal from the IB Programme.

IB scores will be available on July 6 [here](#). Mr. Guinn gave everyone their personal code and PIN this spring. Keep that in a smart place because you will need it to access the scores.

AP Exams

Most of our students were able to submit their AP exams without issues. For those that had submission problems or were unable to take their

Teacher of the Year

We are thrilled to announce our 2019-2020 Teacher of the Year, **Mrs. Jennifer Wilson**, our IB Lit teacher. If you've had a chance to read the Senior Spotlights, you've seen how many children would agree with this fantastic choice! She is incredibly dedicated, the first to volunteer to help out, and loves all of her students deeply. According to her students, she "always makes me feel happy if I was down," "was and always will be our second mother," "made learning poetry fun," "always looked out for us," "helped me survive," "is so caring and always there to help," and "is the sweetest and basically my school mom." That is a small excerpt from the many responses listing this wonderful staff member as a favorite teacher.

CAS and Service Learning for IB Seniors

Rising IB DP seniors **MUST** continue to maintain their CAS portfolios throughout the summer! Over the course of 18 months which started at the beginning of junior year, students must submit weekly CAS experiences, biweekly reflections, and evidence of their participation. Details can be found on ManageBAC. Contact [Mrs. Moss](#) with questions.

Rising IB CP seniors must continue to maintain their Service Learning portfolios as well. Contact [Mrs. Lillard](#) with questions.

Next week, Tuesday-Thursday, buzz the office between 9-11 or 1-3 and tell the office your name. Someone will bring your things to you at the front door. If you have things to drop off, please indicate that as well. They will bring a cart for you to place those items on.
