Est. 2018

Advisor: Mrs. Vakesa Hawthorne

Advisor: Mrs. Angel Little

Founder: Ms. Tara Swinson

Mission: The Musketeer Misses wants to help you build a better self.

Overview

The Musketeer Misses Mentoring Organization will serve as a mentoring program at the Academy of Richmond County High School. The program will target incoming freshman females for the 2019-2020 school year. The ideal candidate will be a female student that wants to increase her self-awareness by proactively participating in enrichment activities with like-minded peers. Also, she wants to build her leadership goals through positively engaging with her peers. Overall, the female student wants to gain insight on how to create her better self. The program participant(mentee) will actively engage with the program during their freshman and sophomore year.

Our senior mentors will serve as role models for our young freshman female students. They will assist with organizing our activities, assisting with academics, and ultimately help their mentee reach their highest potential.

The Musketeer Misses Mentoring Organization will truly have a positive impact on all participants throughout high school, academically and socially. As the mission states, we want each participant to build a better self.
