

Pumpkin Book Reports

Learn from Home Project

- Select a fiction book on your child's reading level.
- After reading the book, summarize the book including the story elements (Characters, setting, plot, problem and solution) on the template provided.
- I recommend that the students complete a rough draft on a sheet of notebook paper first, and then transfer the final copy onto the template.
- **Option 1:** After purchasing a real pumpkin, the students will decorate the pumpkin to look like the main character.

Do Not Carve the Pumpkin.

- **Option 2:** If you are unable to purchase a pumpkin, your child will use the pumpkin template provided to decorate like the main character using whatever art materials you have available. (glitter, beads, feathers, google eyes, paint, markers, yarn etc.)
- Bring the project to school and be prepared to present your project in front of the class. Project Due October 19th
