

Congratulations! your student has been personally invited to travel on an international educational opportunity through France and Spain in the summer of 2020.

As our world becomes increasingly interconnected, it is critical for our students to become more culturally aware, explore new ideas and grow their potential. I believe that when students are able to see what they have learned come to life outside of the classroom; they develop a new and valuable perspective of the world.

There will be an informational meeting on Wednesday May 22nd to provide more details about this opportunity and answer any questions you may have.

Please RSVP for the meeting at <https://rsvp.eftours.com/6m7xyx9>

I hope that you and your child will be able to attend the upcoming meeting to learn more about this incredible experience!
