November 10, 2020

Dear Parents and Guardians

Richmond County School System considers the health and well-being of our students, teachers, and staff to be of the utmost importance. It is with that in mind that this letter is being sent home for your information. Cross Creek High School has been impacted by an increase in COVID-19 related activity in our staff and student body.

We are committed to ensure the safest environment for our students and staff. As a result, Cross Creek High School will transition to Learn@Home instruction beginning November 11, 2020 and will reopen for face to face instruction on November 30, 2020 following the Thanksgiving break. Face to Face students will begin Face to Face Learn@Home instruction on November 11, 2020. Instructions about how your child will continue instruction are being sent home with your student. If you have not received a letter or notification that your child has had direct contact with a COVID positive case, they are not required to self-isolate.

During this time, your child's teacher will continue to support instruction and learning. Students will be considered present for the entirety of the Face to Face Learn@Home period as long as all assignments are completed. If you would like to order meals for pick up from another school site, please call 706-826-1122. We will continue to work closely with local public health officials to ensure the proper recommendations are followed to clean and disinfect our school facility and act in the best interest of our students, teachers and staff.

Sincerely,

A handwritten signature in black ink that reads 'Chris Hughes'. The signature is fluid and cursive, with a large 'H' and 'G'.

Principal
