Dear Parent/Guardian:

On **Tuesday, October 1, 2024**, all students in the Richmond County School System will bring home a Federal Impact Aid Student-Parent Survey.

This annual Student-Parent survey is designed to assist local school districts that enroll federally connected students,

- whose parents are full-time ACTIVE-DUTY Uniformed Services Personnel;
- who live in military or government housing communities or subsidized federal housing; and
- whose families are employed on federal properties.

Richmond County has numerous federal tax-free properties such as Fort Eisenhower Military Base, Low Rent Housing projects, and government agencies which are exempt from local property taxes. Under the Impact Aid program, our school system can be partially reimbursed for the lost property tax revenue.

The Richmond County School System needs your assistance in applying for these funds. Therefore, for each school age student in your household, please complete and sign the Student-Parent survey, and return it to your child's school by **October 2, 2024**.

Thank you for your continued support.

Sincerely,

A handwritten signature in cursive script that reads "Bobby A. Smith".
