Dear Hephzibah High School Families,

In an effort to keep you informed, please be aware that we received a report this morning of rumors of a threat made against our school that students were circulating via text messages. Out of an abundance of caution and with the safety of our students and staff in mind, additional security personnel were on our school campus to support student movement through the building throughout the day and during our regular dismissal. The rumored threats were investigated by Richmond County School Safety and Security officers. Please know that we take all threats seriously and work to resolve them quickly.

Please take this opportunity to remind your child about the Richmond County School System Tip Line, 706-828-1077, which is always available to receive and address their concerns about safety of our school, students and staff.

As always, thank you for supporting Hephzibah High School and the Richmond County School System.

Sincerely,

Chris Nabahe, Ed. S.
Principal
