

## RE-GMAS EOC for Virtual (online) Students

For the 2020-21 school year, the Georgia Department of Education has implemented a measure to not require virtual students to come to school solely to take the Georgia Milestones. We understand that this is a decision that you will make considering the best interest of your child and family.

**VERY IMPORTANT:** Families choosing to participate in testing will need to arrange transportation to and from school for their student to take the Georgia Milestones.

Transportation **will not** be provided. Here are the dates and times that Hephzibah High Virtual (online) students will be testing.
