Dear Richmond County School System Families,

Thank you for support of ensuring our schools are safe places for all our students to learn. In our schools, our teams work together to create a safe environment for our student's health and in accordance with the Richmond County Board of Education Code of Student Conduct and Discipline. By now, all of our students and families should have had the opportunity to review the Code of Conduct document. As situations may arise in schools, our school administrators follow this important document to manage, address and respond to concerns about student discipline.

At times, community activity may influence school behavior. We value your partnership to be alert and keep us informed of things that may occur outside of school hours that impact our students. If you or your student is ever in immediate danger or threatened, please call 911 immediately to seek emergency help.

Because of the importance of student safety and well-being, The Richmond County School System has made resources available to students, staff, and families. If you or your child have any safety concerns about our schools, students, or situations occurring in or out of school, please report them to the school office or call the Richmond County School System 24/7 Tip Line at 706-828-1077. School counselors, staff, and administrators are also able to support students needing assistance.

As always, I appreciate your support of the Richmond County School System.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Bradshaw".
