

Spiral Review: The Priority Standards on the curriculum map outline the new content to be explicitly taught during that unit. While new content is the focus of the unit, students should be reading and reinforcing previously taught standards/skills. Spiral review is used **throughout the year** to help keep important skills at the forefront of students' minds while still moving on to new content. *All standards to include Reading Foundational, Speaking, Listening and Language should be taught and assessed throughout the school year.* The reading informational and literary standard 1 are **yearlong** supporting standards. Writing Standards 4-10 are **yearlong** supporting standards.

Emphasis should be placed on explicit teaching of Reading Foundational Standards (ELAGSE1RF1-4)
Language Standards are taught and assessed with the Writing and Speaking & Listening Standards
