

Kelly's Stars Newsletter

April 14 - 17, 2020

Students' learning tasks will be presented in a Google document (doc) from now until the end of the year. A link to the week's tasks will be shared on Mondays. This week's plan can be accessed by clicking this [link](#). The 2nd Grade Team decided this was the most effective way for students to have access to the materials because it can be viewed on a smart phone, tablet, or computer.
