

Garrett Title I Parent Resource Center

Let the Title I Parent resource Center help your child during this school year. With all that has transpired due to Covid 19, this will be a great way to support your child academically. Come and see all of the neat resources we have to help your child succeed in school. We have everything from books, games, pamphlets, to handheld computerized learning games to help your child work on improving their skills and build their self-confidence. These are excellent resources to help your child master content. The resource Center is located inside of the counselor's office suite. Materials can be checked out Monday through Friday by appointment. Come see what we have to offer, the results are priceless!

Yours truly,

Dr. Parkman, School Counselor
