

Teachers- Please attach this activity to your packets you're sending home.

POP ART Sauces project:

- Pick a sauce (condiment) bottle from the refrigerator. Or a sauce packet from a fast food restaurant.
- Draw the sauce bottle/packet on all 4 pieces of paper in the same spot. You can trace the other three sheets if you want to. Pick an ingredient from the sauce to use in the background design. (Ex. Tomatoes are used in ketchup so you could use tomatoes for the background design).
- Choose 3 colors for each drawing to make the pictures POP! (Primary: red, yellow, blue
Secondary: green, purple, orange)

Directed drawings available on YouTube by Art for Kids Hub

-Baby Yoda

-Leprechaun

You may take a picture of the art work and email it to me

suarebr@richmond.k12.ga.us or save it and bring it to school when we return!

Thanks,
Suarez
