

## Rising 2<sup>nd</sup> Grade Summer Requirements

1. Learn single digit math facts

Ex.  $5 + 5$ ,  $7 + 8$ ,  $1 + 4$ , etc... (Flash cards are a great way to learn math facts)

2. Read at least 20 books. (Read different genres - informational, fantasy, realistic fiction, folktales, fables...)

3. Keep a journal. Write a summary of each book read. You may also write about different summer adventures. Be sure to write in complete sentences, use capital letters and punctuation.
