

INFORMATION FOR RISING 3RD GRADERS

Dear Third Grade Families,

We believe that the children should relax and have fun over the summer, along with maintaining the skills learned in 2nd grade! The third-grade teachers look forward to embarking on an exciting journey through third grade with our new crew! We also need you to prepare for the adventures of third grade as a lot is required at this level. In order to be ready for the journey, you will need to complete the following summer assignments by the first day of school.

We cannot wait to see you in August!

Third Grade Teachers

Third Grade General Supply List

**The assigned homeroom teacher may request additional school supplies.	

READING ASSIGNMENTS

Students should read at least one book per day and keep a log. Students can read books at home, the public library, or through electronic resources like MyOn. Students should begin developing their reading stamina by reading 20 minutes per day. Students must read for at least 360 minutes in June and 360 minutes in July. A reading log is provided, with additional pages available on the school's website.

MATH ASSIGNMENTS

Students should practice math facts so that they are prepared to learn third-grade standards at the start of the school year. Addition and subtraction skills are essential in third grade. One excellent website for practicing fluency is www.multiplication.com.

*iReady will not be available until the end of June.

Have a great summer! We look forward to seeing your smiling faces in the new school year!

CT Walker Third Grade Teachers

June

Color the days based on assignments completed:

Red: Reading (Reading a book)

Green: Math (Flashcards. Multiplication.com, etc.)

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	Have big dreams. You will grow into them.				

July

Color the days based on assignments completed:
