Dear Parents,

The purpose of this packet is to help students maintain the ELA & Math skills acquired during their 3rd grade year and to avoid the "summer slump". We encourage the students to complete the packet at a comfortable pace. The packet is structured to be completed over a period of time. Please encourage your child to formulate a personal schedule that is appropriate. After each section, please check the answers with your child to determine areas that may need more reinforcement. Please have your child bring the packet to school on the **first day of school**. This packet is required of every student.

Have a wonderful summer!

Sincerely, 4th Grade Teachers

C.T. Walker Magnet School 4th Grade Summer Assignment

- 1. This summer you will be required to read <u>4</u> chapter books. You may **choose 2** of your choice and then **choose 2** from the list below.
 - · Because of Winn-Dixie by Kate DiCamillo
 - · Tales of A Fourth Grade Nothing by Judy Blume
 - · My Dog, My Hero by Betsy Byars
 - Matilda by Roald Dahl
 - · Frindle by Andrew Clements
- 2. Once you have read all 4 books choose ONE book to write about.
- 3. You can choose to either write it out neatly, or type it. If you type it, please make sure to use 12-point Times New Roman. Your work **must be** in paragraph form. Please make sure to indent each new paragraph. Remember, a good paragraph is 5-7 sentences.
 - 1st paragraph Introduce your book. Give the title and the name of the author. Write about the setting (where the story takes place, usually time and place). Introduce the characters in the story. Use lots of adjectives to describe each character and their personality. What role does each character play in the story? Discuss what conflict/problem the main character faces in the story. If you're still having trouble with ideas you can answer the 5 W's who, what, when, where, and why.
 - 2nd paragraph Compare & contrast at least two characters. How are they alike? How are they
 different? Are their personalities the same or different? How are they important to the story?
 - 3rd paragraph What is the theme of the book? What message or "lesson" did you take away from the book? Explain your answer by giving at least 2 examples of evidence from the book. Make sure to cite the page number in your paragraph.
 - 4th paragraph Write a paragraph giving your opinion on the book. Write about why you liked
 or disliked the book. Give lots of details. Was the book confusing? Was it too easy to read or too
 hard? Was it predictable/ believable? Did you like the ending? What was your favorite part?
 Would you recommend the book? Explain.
