

CT Walker presents

“The Amazing Race Summer Learning: Passport to Fun”

Welcome to our summer enrichment program. Before things begin, we would like to share a few important bits of information with you.

- Summer enrichment is **NOT** summer school.
 - Attending summer enrichment is not a path to promotion.
- The goal of summer enrichment is to engage students in hands on, interactive learning.
- There will not be any grades given, but students will be bringing home projects that they have worked on.
- Our dates and times are June 7th- 24th, Monday through Thursday from 8AM-12PM.
 - Students can be dropped off between 7:45-8:00.
- The district is not providing transportation for our program. All F2F students must have their own transportation to and from the program.
 - All students are to be on time for drop off and pick up. Three tardies will count as an absence and may result in withdrawal from the program.
 - The Family Y is providing on site before (7AM-8AM) and after care (12PM-4PM). To register for before or after care, contact Tanisha Sharp tsharp@thefamilyy.org .
- The dress code is in effect for summer enrichment.
 - Due to the hands on nature of the program, students may get messy. Be mindful of this.
- There will be times when we will be outside. Students should bring a water bottle.
- Breakfast and lunch will be provided.

If you have any questions or concerns, please let me know.
