

5th Grade Summer Assignment & Supply List

The summer assignment is due the first day of school and will be recorded as a grade.

READING

This summer all rising 5th graders must read *Hatchet* by Gary Paulsen.

Activity:

Students are required to read *Hatchet* by Gary Paulsen. Once the novel is complete, students must create a trading card based on the main character from the story, using the Trading Card Creator tool found at:

Two ways to access:

1. <https://www.readwritethink.org/classroom-resources/student-interactives/trading-card-creator>
- click launch tool
2. <http://interactives.readwritethink.org/trading-card-creator>

Feel free to be creative and add additional images or information to your card.

Rubric

Trading Card Rubric – You must check the site above to locate the components.

Novel Character Information

- 2 Trading card has name and picture of a main character from the novel.
- 1 Trading card is missing name or picture of a main character from the novel.

Trading Card Components

- 5 Card is formatted correctly with 5 components.
- 4 Card is formatted with 4 components.

- 1 Card is formatted with 1 component.

Grammar & spelling (conventions)

- 3 Writer makes no errors in grammar or spelling.
- 2 Writer makes 1-3 errors in grammar and/or spelling.
- 1 Writer makes more than 4 errors in grammar and/or spelling.

10/10=100

MATH

*****Mastery of multiplication facts through 12 is a grade level expectation.*****

Students should bring in a two minute student made timed practice test for each of the facts (3, 4, 6, 7, 8, and 9). Tests should be signed and graded by the parents to verify that students have mastered these facts. Some helpful websites to help prepare are as follows:

www.multiplication.com

www.firstinmath.com

Students need to know the place value system from millions to the ten thousandths. Study the chart below and be prepared for a place value test at the beginning of the year.

PLACE VALUE CHART

Billions	Hundred Millions	Ten Millions	Millions	Hundred Thousands	Ten Thousands	Thousands	Hundreds	Tens	Ones	Decimal Point	Tenths	Hundredths
