

Supply List For Rising 3rd Graders

Dear Third Grade Families,

We believe that the children should relax and have fun over the summer, along with maintaining the skills learned in 2nd grade! The third grade teachers look forward to embarking on an exciting journey through third grade with our new crew! It is important that students have all the supplies they need in order to hit the ground running.

We can't wait to see you in August!

Third Grade Teachers
